SUBMISSION ON PROPOSED PLAN CHANGE
Clause 6 of First Schedule, Resource Management Act 1991

To Porirua City Council, Cobham Court, P O Box 50 218, Porirua City, New Zealand

Name of Submitter: [Full name]

ROBERT CLIFFORD STYLES & JOCELYN ELIZABETH MORTEN

This is a submission on the following proposed plan change to the Porirua City District Plan.

PLAN CHANGE 6 - JUDGEFORD HILLS ZONE

[name of proposed plan change]

The specific provisions of proposed plan change that my submission relates to are:
[give details]

The complete plan change

[continue on separate sheet(s) if necessary]

My submission is:

[include-

- o whether you support or oppose the specific provisions or wish to have them amended; and
- o reasons for your views.]

Fully support the change as there is too much land wasted with the existing 5 hec minimum in the rural area. Most 5 hec owners would enjoy closer neighbours and relinquish the responsibilities of the excess land they have to look after and maintain, generally 5 hec owners only ever wanted room around their dwelling something suburban living does not provide. (refer page 13)

[continue on separate sheet(s) if necessary]

I seek the following decision from the Porirua City Council:

[Give precise details.]

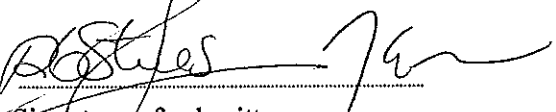

To allow the development of EOM Farming application which will give benefits to all involved New home owner as well a EOM Farming who will continue [continue on separate sheet(s) if necessary] with their existing farm operation?

I wish (or do not wish) to be heard in support of my submission.

[please delete one option]
